ENGLISH CUSTOMS

The English people have their own customs that they stick to really strictly. One of the customs which makes English people special is in fact a habit. The English love drinking tea. They do it at particular time and they boast that they're the only ones who know how to make great tea.

Moreover, English people are known for the royal protocol. The royal weddings are used to be held in the Westminster Abbey. The bride arrives at the Abbey in a shiny carriage accompanied by a number of army officers. All the guests are the powerful people of the planet and the international royalties

When the ceremony wedding is over, the newly-wed couple go back to the palace, in an open carriage, waving at the crowd. Once they arrive at the palace, they get out on the balcony and kiss and greet all the people watching them. This is followed by the wedding reception.

FASHION ICON

This year's spring loves the bold prints and floral fruit geometric patterns and even animal prints will dominate, giving a lively tone in your everyday life. The yellow colour and large stars are worn with zest.

TIP: If you do not have a flat belly avoid low waist jeans with short t-shirts!

Laugh a little each day...

-A: Aren't you wearing your wedding ring on the wrong finger?

B: Yes, I am, I married the wrong woman

-Teacher: How can we get some clean water?

Student: Bring the water from the river and wash it.

-Teacher: Maria please point to America on the map.

Maria: This is it.

Teacher: well done. Now class, who found America?

Class: Maria did!

-Boy: Am the first man you have ever loved?

Girl: Of course she answered. Why do men always ask the same question?

-My friend said he knew a man with a wooden leg named Smith.

So I asked him "What was the name of his other leg?"

-A: Hey, man! Please call me a taxi.

B: Yes, sir. You are a taxi.

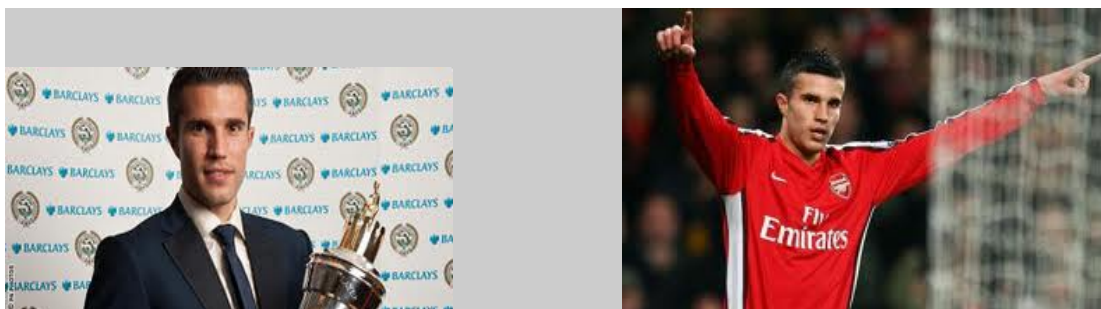

-In a restaurant:

Customer: Waiter, waiter! There is a frog in my soup!!!

Waiter: Sorry, sir. The fly is on vacation.

Hitman Robin strikes again! Van Persie picks up prestigious PFA award

Arsenal striker Robin van Persie has been named the Professional Footballers' Association Player of the Year.

The 28-year-old Holland international has scored 27 Barclays Premier League goals this season for the Gunners - his most fruitful campaign for the club - and was humbled to be recognised by his peers.

'If other people are saying it, it is special, but it is even more special if your opponents are saying it,' he said.

Van Persie may have picked up the top individual honour but he was quick to point out it would not have been possible without his Arsenal team-mates. 'Without them I could not have achieved it,' he said

Van Persie was utilised mainly as a second striker, and occasionally out on the wing, in the early stages of his Gunners career after being signed by manager Arsene Wenger from Feyenoord in 2004.

But he has flourished since switching to the centre-forward role - despite initially not having been convinced he could make the transition.

"Dust In The Wind"

by KANSAS

I close my eyes, only for a moment, and the moment's gone
All my dreams, pass before my eyes, a curiosity
Dust in the wind, all we are is dust in the wind
Same old song, just a drop of water in an endless sea
All we do, crumbles to the ground, though we refuse to see

Dust in the wind, All we are is dust in the wind

Don't hang on, nothing lasts forever but the earth and sky
It slips away, all your money won't another minute buy

Dust in the wind, All we are is dust in the wind

POEMS

-I asked a flower a bird and a man
what love is...
the flower bloomed
the bird sang
the man cried
-I am telling you love passed
...But you came in there and suddenly
I say my heart is going to break...

ANIMALS' WORLD

ARNEA ANIMALS

Most of my village inhabitants have many pets but we mostly prefer cats and dogs. We also have animals that help us with our works in our everyday life, like mules for instance which are used by the lumberjacks to carry wood. Finally we have animals that we “use” to earn some money, for example we sell our cows' milk.

In our area, Cholomontas, there are different kinds of animals like foxes, magpies and mockingbirds. Some of them are in fact protected species like deer, wolves, eagles, hawks and owls. People hunt hares, wildboars and woodcocks.

BOXERS

Boxers are very quiet dogs. They love running and playing for many hours. They are friendly with kids and good guards. People prefer them because they are very smart. The male boxers are about one metre tall and the female are about 70-80 cm tall. You need to bathe them at least 3 times a week with a special shampoo. Their price is about 500 Euro
